**About United States Para-Equestrian Association:**

The USPEA is a network of riders, judges, national federation board members, and equestrian enthusiasts. The association gives athletes the ability to get involved and expand their knowledge and experience in the Para-Equestrian sport. The USPEA encourages para-athletes to participate in all disciplines under the para-equestrian umbrella.

The USPEA is a recognized affiliate of the United States Equestrian Federation (USEF) which serves as the National Governing Body for the equestrian sport. This relationship between the USPEA and USEF is to encourage para-equestrian competitors, leisure riders, coaches, fans and enthusiasts to network and get involved with the entire equestrian sport.

Ultimately the goal of the USPEA is to foster growth in the para-equestrian discipline. From growth in the number of participants to growth as a team, and growth in the experience and knowledge of all involved. From local horse shows to international Olympic Games, the USPEA will provide para-equestrians the knowledge of what they need to succeed. The USPEA connects with the International Olympic Committee (IOC), the Federation Equestre Internationale (FEI), the United States Dressage Federation (USDF), and USEF which provides Para-Equestrians the top equestrian resources.

In June 2010, the USPEA earned its 501 (c)(3) status which has encouraged supporters to help supply funding to the Para-Equestrian Team as a recognized affiliate of the United States Equestrian Federation(USEF).
